GATEWAYS TO OPPORTUNITY®
Illinois Professional Development System

To receive Child Care Assistance Program (CCAP) payments you must enroll in the Gateways Registry.

The Registry offers a quick and easy way to track your training.

How do I become a Gateways to Opportunity Registry Member?

1. Go to **registry.ilgateways.com**. Click **Join Now** on the bottom of the page.
2. Click on **Complete and submit online**.
3. If you have never filled out a Gateways Registry application before, select **click here** under option **2**.
4. Fill out your User Account Request information. Select Submit User Request. You will receive an email stating, "Your Online Account is Ready" with further instructions.

*If you provide care for children in your home or center and you receive payment from the Child Care Assistance Program (CCAP), you are required to enroll in the Gateways Registry and complete required trainings by **September 30, 2017**.*
