IDHS Child Care Assistance Program Training Requirements

-For Providers who have a current Preschool CDA, Infant-Toddler CDA or Family Child Care CDA (Child Development Associate Credential)-

Effective **October 1, 2017**, a current CDA can count towards the IDHS CCAP Health & Safety training requirements. Additional online training will be needed to fully meet the health and safety training requirements.

Current CDA	Additional training needed to meet health and safety requirements
Preschool CDA	Sudden Infant Death Syndrome & A Preventable Tragedy: Shaken Baby Syndrome online training available through the Gateways Registry at http://courses.inccrra.org/ .
Infant Toddler CDA	A Preventable Tragedy: Shaken Baby Syndrome online training available through the Gateways Registry at http://courses.inccrra.org/ .
Family Child Care CDA	A Preventable Tragedy: Shaken Baby Syndrome online training available through the Gateways Registry at http://courses.inccrra.org/ .

Note: Child Care Providers MUST be members of the Gateways Registry and track their CDA in the Registry. To become a Registry member visit:

<https://registry.ilgateways.com/>.

For instructions on how to report your current CDA to the Registry visit <http://urls.inccrra.org/cda>. You will need to report the CDA award date, expiration date, and type.

For a complete list of CCAP training requirements visit <http://www.dhs.state.il.us/page.aspx?item=95241> .

Questions and comments should be directed to dhs.ccap-reauth@illinois.gov .
