- [Forgot your username?](#)

2 Click the **My Registry** Portal. Then click the **Plan** section.

3 Click **Get My PDR** and select the date range you would like to view. Then click **Get Report** to download your PDR.

Professional Development Record

Your Professional Development Record (PDR) is a report that lists all of the professional development activities you have completed in the Registry. You can obtain your Professional Development Record by clicking the "Get My PDR" button and selecting the Start and End Date you would like. You can use the calendar tool or enter dates in mm/dd/yyyy format.

Get My PDR

Dates should be in mm/dd/yyyy format.
